**Ricardo Cano was born, raised, and educated in McFarland, I deeply care about our community and its people. I understand the history of McFarland and the diversity of cultures within our community. My wife, Veronica, and I have chosen to raise our family here because we believe McFarland has a bright future. I am invested in this community, and I want to be involved in making decisions that are representative of the people that live here and that will have a positive impact now and in the future. I am a person of integrity and independence. I live and work in McFarland and enjoy speaking to the residents of this town. This community is my passion, and I want nothing more than to see McFarland succeed. I am honored to serve as a Council Member for the City of McFarland.**
